The Netherlands	109 €	3-4 DAYS
Spain	191 €	6-7 DAYS
Germany	97 €	3-4 DAYS

*The exact costs will be calculated when you place your order.

FAQ

HOW CAN I PLACE MY ORDER?

It's very easy. Just choose the products you would like to order and send an email to the sales representatives listed below. Alternatively, you can call us or contact us via WhatsApp. We speak Polish, English, French, Spanish, Portuguese German and Italian. Feel free to contact us.

WHAT ARE THE MOQS?

MOQS are different for each product. You can find them in our product portfolio.

IS THERE A MINIUM ORDER VALUE?

Yes, minimum order value is 4000 EUR.

WHAT ADDITIONAL SERVICES ARE IN THE OFFER?

We provide you with a „ready to put on a shelf" product. Under the broad service of manufacturing we provide conditioning, mixing, bottling, packaging, heat-sealing, labelling, sleeve-labelling, storage, graphic designs and, if necessary, promo sets.

WHAT ARE THE SHIPPING OPTIONS?

All our products are offered EXW Lublin. You can arrange your own transport from Lublin, Poland, or we can help you by arranging the transportation. The transportation fee will be added to the final clearance invoice. What is important here, in both cases, we do not take responsibility for any damages or incidents during transportation and costs related to those issues.

WHAT IF I WANT TO DEVELOP A NEW PRODUCT WITH YOU?

As an innovative company we are open to developing new products for our customers. A total cost of development is 1000 EUR. If you place an order for a developed product the amount of 1000 EUR will be deducted from the invoice.

CAN I RECEIVE SAMPLES?

Yes, of course. The Top seller box with samples is free of charge. If you would like us to send our samples outside the EU region, take into account that you need to cover the shipping cost.

HALAL CERTIFICATE ANNOUNCEMENT

AmerPharma Sp. z o.o. is proud to announce that we have officially been declared Halal Certified by the Council of Imams of the Muslim League in Poland.

We have been granted the Halal Certificate of fulfilment of halal system requirements for the production plant as well as the Halal Product Certificate.

This implies that the inspected products are suitable for consumption by all Muslims, as they are free from substances prohibited by Islamic Law and the production process meets the Halal Production requirements.
